The chairman presented to the batch coordinators the set date of the next global reunion as the last week of December 2010 which was voted upon during the general assembly held at Pagsanaan Beach Resort. April 2011 was also considered seriously as it has been suggested by many alumni because of the following reasons:

- 1-It will coincide with Magsingal town fiesta
- 2-It will coincide with the holy week vacation
- 3-It will coincide with SWI 65TH foundation Anniversary
- 4-It will coincide with the summer vacation
- 5-Air Fare is not as costly as compared during Christmas time
- 6-Many balikbayans from mainland USA are asking for this date consideration

Because of the above consideration, we put into a vote again the acceptable date of the next global reunion and majority voted for DECEMBER 2010;

so the schedule is DECEMBER 26 and 27, 2010

Though majority voted for these dates, it has been very clear that feedbacks will still be considered on the next meeting for a more welcome and available date for a more number of alumni
